

FIELD UPDATE

Dave & Rivers IN HUNGARY

Hungary

The harvest is plentiful

SpeakOut English Camp 2010 - What God has done...

Total number of workers ~ Americans: 47 Hungarians: 80
 2597 people were approached to have a spiritual conversation with.
 1599 people heard the gospel.
 94 people started a relationship with Christ this Summer!

We could not be a part of this ministry without you! Thank you for caring for the lost of this world. We are grateful that God has called our family here, and we are thankful for your financial and prayer support. Visit our website to see much more about our ministry. www.daveanddrivers.com

Discipleship Groups at SpeakOut

One of our roles at SpeakOut was leading discipleship groups (pictures: Rivers' left & Dave's below). These American guys and girls worked their hearts out tutoring while learning evangelism, relational, and leadership tools. We loved walking along side students helping them fall in love with sharing the Great News of Christ. Thank you for your prayers for our ministry this summer. As you read the numbers above these are the American students that were on the front lines literally sharing the gospel everyday at camp. Continue to pray for these newly trained evangelists that they will continue to share boldly about the love of Jesus.

Our Family and Our Fall

A best friend, Kristen, from Kansas city visited us this month. (pic at top) She was a blessing and a refreshment to our family. We then headed to our National Conference where we studied the Word and made plans for the Fall. Rivers and I will continue to focus on language learning and are going to a school this semester. Rivers will go in the mornings and I will go in the afternoons. Joy will also start preschool this semester which will be totally in Hungarian. So all three of us will be intensely learning this language 5 days a week. Pray for our studies and for many opportunities to share the joy that God has given us through the cross of Christ.
